Dear Sipuruseti Anil Kumar,

As part of PF number creation process, we have created your PF account in Cognizant and you can find your PF account details below. Hence, if your UAN has not yet been activated, we request that you activate it by referring to the procedure below for more reference.

UAN Number	PF Number	UAN Name	Date of Birth	Gender
102212875529	TNMA00313090002173380	SIPURUSETTI ANIL KUMAR	14/12/2003	MALE

UAN activation step:

- Go to EPFO Member Portal (<https://unifiedportal-mem.epfindia.gov.in/memberinterface/>).
- Click on the "Activate UAN" link under "Important Links".
- Enter your UAN, Aadhaar number, name, DOB, and Aadhaar-linked mobile number.
- Employees should ensure their mobile number is Aadhaar-linked to access the full range of EPFO's digital services.
- Agree to Aadhaar OTP verification.
- Click "Get Authorization PIN" to receive an OTP on your Aadhaar-linked mobile number.
- Enter the OTP to complete the activation.
- A password will be sent to your registered mobile number upon successful activation

How to update KYC:

Login to the EPFO portal -> Manage -> KYC -> Bank -> Update your bank a/c details -> IFSC -> OTP -> Submit your request

(Bank KYC will be pending for "Verification under process" it will be auto verified by your bank within 10 working days or follow with your bank to complete the verification process)

Kindly refer the mail from PFSSBenefits(Cognizant) PFSSBenefits@cognizant.com to active your UAN & to complete the e-nomination.

Regards,
